DUOX PLUS iLOFT TELEPHONE

BESCHRIJVING

The iLOFT telephone is a compact, extra flat door phone that works in hands-free mode with the outdoor panel. Both the call and the talk volume are adjusted by means of a wheel control in a very intuitive way. Made of UV-resistant ABS plastic with an elegant matte finish for easy cleaning. Surface mounted. Push buttons: Button to activate/deactivate the communication with the outdoor panel. Door opener and call to the concierge (if available, press with the phone in standby). Additional functions button: Staircase light relay, second door or gate opening, panic call, etc.
System: DUOX PLUS (2-wire digital)
