ADVANTAGES FOR
THE INSTALLER

SIMPLE INSTALLATION WITH ONLY ONE SCREW

Compatible with Fermax flush-mounted boxes series 6 or 8.

SIMPLE AND QUICK CONFIGURATION

Configuration from a mobile, tablet or PC without having to open the panel.

VALUE OFFER FOR
THE RESIDENTS

CALL DIVERT TO MOBILE FOR RESIDENTS WITH WI-FI MONITORS

Via DuoxMe app.

PREMIUM EXPERIENCE

Interactive display and LED wave, and high-quality sound.

SECURE AND CONVENIENT ACCESS

Access control included as standard.

DURABLE AND ELEGANT DESIGN

Robust strength and modern aesthetics.

SKYLINE, CITYLINE and MARINE: A different aesthetic for each project. **Pushbuttons panels** for individual residences, businesses or small buildings. **Digital panels** for medium and large projects, incorporating the extra graphic display with a 3,5" TFT, which facilitates its use and enhances the possibilities of the outdoor panel (integration of images and messages). The panels include wide-angle colour camera as standard with lighting for low-light vision conditions. In addition, they can integrate multiple systems: **information, communication and access control** for more security in the property.
