Product Code

F07756

2W CORA VEO 4,3" WIFI DUOX+ KIT

Reference

7756

EAN

8424299077567

Description.

Description

The **Cora Wi-Fi Duox Plus Kits** (**2-wire, 100% digital**) include Veo range monitors with integrated Wi-Fi connectivity, allowing you to receive video intercom calls on your mobile phone or tablet and open the door from the DuoxMe app from anywhere. The kits are pre-programmed and ready to install.

The **CoraKit panel** is surface-mounted and very easy to install. Furthermore, the panel can be configured and managed quickly from a mobile phone, tablet, or PC via a web server, without even opening the panel.

It is made of zamak and incorporates a wide-angle camera, communication status information icons and voice messages to facilitate user accessibility, a backlit card holder and scene lighting by means of LEDs.
Its operation is reliable and durable even under demanding conditions.

The **Veo range monitors** have basic functions (auto power on, door opener button, etc.) as well as advanced ones (automatic image capture with the call, selection of melodies and call volume adjustment).
